

ERIE, PA CHAPTER

Harley-Davidson
of Erie

Erie H.O.G, Harley Owners Group, is pleased to offer you a member group that loves to ride and explore all that our area has to offer. This challenge book is an opportunity to get our riders out during the riding season, offering destination points and stops along the way in their travels.

How it works: Our members patronize your business and are awarded points. The more points accumulated, the better chances the member has of winning an award. The only way for our riders to earn these points, is to visit and patronize your place of business. Photos and receipts are needed for verification, and our members often share those pictures via social media, which will promote your business as well. We also give points to our members who LIKE and SHARE on sponsor's Facebook pages as another way to promote your business.

We are offering 2 possibilities for sponsorship in our 1st of hopefully many future years of this Ride Book. Full page ad for \$50 and \$25 for a 1/2 page add. We are sorry for the short notice but Donations for ads must be turned into Harley Davidson of Erie/ Erie HOG by Feb 28th.

Help us, Help you!

Please see form on back and choose the sponsorship level you'd like to invest in.
