

2024 ERIE HOG RIDERS CHALLENGE BOOK SPONSOR FORM

Erie HOG, Harley Owners Group, is pleased to offer you a member group that loves to ride and explore all that our area has to offer. This challenge book is an opportunity to get our riders out during the riding season, offering destination points and stops along the way in their travels.

How it works: Our members patronize your business and are awarded points. The more points accumulated the better chances the member has of winning an award. The only way for our riders to earn these points, is to visit and patronize your place of business. Photos are needed for verification, and our members often share those pictures via social media, which will promote your business as well. We also encourage our members to LIKE and SHARE our sponsor's Facebook pages as another way to promote your business and validate that they visited your establishment.

We are offering a Full page ad sponsorship in our 2024 annual Ride Challenge Book for only \$50.00. Donations for sponsorship and this form must be collected by a Erie HOG member or turned into:

Harley Davidson of Erie/ Erie HOG by Feb 29th, 2024.

Please complete the form on the back.
